### Siret SALM (Estonia)

*I had a wonderful time here in Iasi and I appreciate the experience very much! Everything was very well organized! Suur aitäh ! (Thank you)*

### Jochen SCHMIDT (Germany)

*I've been to Romania a couple of times and I must say that Iași was the most special of them all. It was very interesting for me to find here such a large university, with a visible tradition and an impressive prestige. It is difficult to explain to the others why they should study Romanian. But anyone who has started studying would immediately understand why.*
